40	treatment of materials for third parties
40	treatment of materials upon request for third parties
40	treatment of materials using chemicals
40	treatment of materials using ultrasonic waves to modify their properties
40	treating materials with ultrasonic waves to modify their properties

40	treatment of metal parts to prevent corrosion
40	treatment of metal parts to prevent corrosion using hot-dip galvanizing and powder coating processes
40	treatment of oils by the removal of polychlorinated biphenols
40	treatment of oil spills
40	oil spill treatment
40	treatment of polluted waters
40	treatment of radioactive waste
40	treatment of rubber
40	treatment of seeds
40	seed treatment services
40	treatment of semi-manufactured products by means of electrolysis
40	treatment of semi-precious stone materials
40	treatment of slag arising from metal casting
40	treatment of stone materials
40	treatment of synthetic polymers against bacteriological infections
40	stone working
40	stoneworking
40	stripping finishes
40	stripping of furniture
40	stripping of wooden objects
40	supervision of the custom manufacturing of watercraft other than ships, yachts, boats and water vehicles oth
40	surface finishing of metal articles
40	surface grinding
40	surface plating
40	tanning
40	tanning, dyeing and custom assembling of leather materials
40	tanning of leather
40	leather tanning
40	tanning of leather or hides
40	tapestry weaving
40	tapestry weaving for others
40	taxidermy
40	technical consultancy in the field of production of solar energy
40	technical consultation in the field of production of solar energy
40	technical consultancy in the field of radioactive waste processing centers
40	tee-shirt embroidering services
40	T-shirt embroidering services
40	textile bleaching

40	textile whitening
40	whitening of textiles
40	bleaching of textiles
40	textile bleaching services
40	textile cutting
40	textile cutting services
40	cutting of textiles
40	textile dyeing
40	dyeing of textiles
40	textile mothproofing
40	textile treating
40	cloth treating
40	textile treatment in the nature of mothproofing
40	textile warping
40	textile waterproofing
40	waterproofing of textiles
40	waterproofing textiles
40	textile weaving
40	thermographic printing
40	thermographic printing services
40	timber felling
40	timber felling and processing
40	timber preservation
40	timber processing
40	tin forging services
40	tin forging
40	tin plating
40	tinning
40	tin-plating
40	tinsmithing services
40	tin smithing
40	tinsmithing
40	tin smithing services
40	tinting of car windows
40	tombstone engraving
40	transfer printing
40	transfer printing services
40	transformation of materials

40	treatment and coating of metal surfaces
40	treatment and processing of clothing for recycling purposes
40	treatment and processing of foodstuffs
40	sandblasting services
40	sandblasting
40	sand blasting services
40	sand blasting
40	sawing of materials
40	sawing of timber
40	sawmill planing
40	sawmill services
40	services for the blast treatment of a surface
40	services of a bindery, namely, bookbinding
40	services of a dental technician
40	dental technician services
40	sewage treatment
40	sewage treatment services
40	services for the treatment of sewage
40	sewing
40	sewing services
40	sewing of curtains
40	shaping of metal components
40	shoe staining
40	shoe staining and dyeing
40	shrinking of cloth
40	shrinking of clothing
40	shrinking of fabric
40	shrinking of textiles
40	shrink-proofing of textile or furs
40	sign lettering
40	silkscreen printing
40	silk screen printing
40	screen printing
40	screen printing services
40	silk screen printing services
40	silver plating
40	skin dressing
40	slaughtering of animals

40	animal slaughtering services
40	slaughtering of livestock
40	livestock slaughtering
40	livestock slaughtering services
40	smithing
40	smoke house services for smoking food
40	smoke odour removal services
40	smoke odor removal services
40	smoking of meat
40	soda blasting services
40	soil treatment services [environmental remediation services]
40	soil, waste or water treatment services [environmental remediation services]
40	soldering
40	brazing
40	sorting of waste and recyclable material [transformation]
40	sorting of waste and recyclable materials [transformation]
40	spinning of cotton
40	cotton spinning
40	spirits [beverages] making for others
40	staining services
40	stationery printing services
40	steel cutting
40	steel cutting services
40	stone carving
40	stone carving services
40	stone crushing
40	stone grinding
40	stone treating
40	treatment of stones
40	rental of printing machines and apparatus
40	rental of printing machines and apparatus and providing information relating thereto
40	rental of printing machines and apparatus and provision of information relating thereto
40	rental of rechargeable batteries
40	rental of rotogravure printing machines
40	rental of septic tanks
40	rental of septic reservoirs
40	rental of sewing machines
40	leasing of sewing machines

40	sewing machine rental
40	rental of soldering apparatus
40	rental of space cooling apparatus
40	rental of space cooling apparatus for household purposes
40	rental of space cooling apparatus for household use
40	rental of space cooling apparatus for industrial purposes
40	rental of space cooling apparatus for industrial use
40	rental of space heating apparatus
40	rental of thermal printers
40	rental of thermal printers for use with computers
40	rental of thermographic printers
40	rental of tobacco processing machines
40	rental of typographic presses
40	rental of waste compacting machines
40	leasing of waste compacting machines
40	rental of waste compacting machines and apparatus
40	rental of waste crushing machines
40	leasing of waste crushing machines
40	rental of waste crushing machines and apparatus
40	rental of water and air purification equipment
40	rental of water filters
40	rental of water filtration units for commercial use
40	rental of water purification equipment
40	leasing of water purification equipment
40	rental of water purifying apparatus
40	rental of water purifying apparatus and providing information relating thereto
40	rental of water purifying apparatus and provision of information relating thereto
40	rental of water treatment equipment
40	rental of welding and soldering apparatus and machines
40	rental of welding apparatus
40	rental of wind-powered electricity generators
40	replication of CDs
40	replication of DVDs
40	reprocessing of nuclear fuels
40	nuclear fuel reprocessing
40	reproduction of cinematographic films
40	reproduction of cinematographic film
40	reproduction of cinematographic films for television

40	cinematographic film reproduction for television
40	reproduction of films
40	film reproduction
40	reproduction of museum artwork
40	reproduction of photographic prints
40	reproduction of photographic transparencies
40	photographic transparency reproduction
40	reproduction services of photographic prints
40	resurfacing of glass
40	glass resurfacing services
40	rotogravure
40	rotogravure printing
40	rot prevention treatment of buildings
40	treatment of buildings to prevent rot
40	rot treatment of buildings
40	rum making for others
40	saddlery working
40	rental of machines and apparatus for manufacturing glassware
40	rental of heating apparatus
40	rental of heating boilers
40	rental of hydroelectric generators
40	rental of industrial robots for use in manufacturing
40	rental of inkjet printers
40	rental of inkjet printers for use with computers
40	rental of label printers
40	rental of label printers for use with computers
40	rental of laser printers
40	rental of laser printers for use with computers
40	rental of lead-acid batteries
40	rental of letterpress printing machines
40	rental of lithium-ion batteries
40	rental of machines and apparatus for developing, printing and enlarging photographs
40	rental of machines and apparatus for dyeing textiles
40	rental of textile dyeing machines and apparatus
40	rental of machines and apparatus for film development, photograph printing, photograph enlargement or pho
40	rental of machines and apparatus for fireproofing textiles
40	rental of machines and apparatus for lumbering
40	leasing of machines and apparatus for lumbering

40	rental of machines and apparatus for making plywood
40	leasing of machines and apparatus for making plywood
40	rental of machines and apparatus for mothproofing textiles
40	rental of machines and apparatus for papermaking
40	leasing of machines and apparatus for papermaking
40	rental of machines and apparatus for photograph printing
40	rental of machines and apparatus for processing beverages
40	rental of machines and apparatus for processing drinks
40	rental of machines and apparatus for processing food
40	leasing of machines and apparatus for processing food
40	rental of machines and apparatus for pulp-making
40	leasing of machines and apparatus for pulp-making
40	rental of machines and apparatus for treating textiles
40	rental of textile treating machines and apparatus
40	rental of machines and apparatus for veneering
40	leasing of machines and apparatus for veneering
40	rental of machines and apparatus for veneer making
40	leasing of machines and apparatus for veneer making
40	rental of machines and apparatus for woodworking
40	leasing of machines and apparatus for woodworking
40	rental of machines for making shoes
40	rental of shoe making machines
40	rental of machines for the manufacture of corrugated cardboard
40	rental of machines for the manufacture of corrugated board
40	rental of metal treating machines and tools
40	rental of misting systems for outdoor cooling
40	leasing of misting systems for outdoor cooling
40	rental of nickel-metal hydride batteries
40	rental of offset printers
40	rental of pad printers
40	rental of photographic printing apparatus
40	rental of photographic processing apparatus
40	rental of photographic processing equipment
40	rental of photovoltaic apparatus
40	rental of photovoltaic installations
40	rental of power-generating equipment
40	rental of printers
40	rental of printers for use with computers

40	rental of computer printers
40	rental of printers for computers
40	computer printer rental
40	rental of printing apparatus
40	rental of printing machines
40	rental of batteries for electric push scooters [vehicles]
40	rental of electric push scooter [vehicle] batteries
40	rental of batteries for electric vehicles
40	rental of electric vehicle batteries
40	rental of batteries for laptops
40	rental of batteries for mobile telephones
40	rental of batteries for cell phones
40	rental of batteries for cellular phones
40	rental of batteries for mobile phones
40	rental of batteries for cellular telephones
40	rental of mobile telephone batteries
40	rental of cell phone batteries
40	rental of cellular phone batteries
40	rental of mobile phone batteries
40	rental of cellular telephone batteries
40	rental of batteries for portable medical equipment
40	rental of batteries for radio sets
40	rental of batteries for smartphones
40	rental of smartphone batteries
40	rental of batteries for telecommunication equipment
40	rental of batteries for tractors
40	rental of tractor batteries
40	rental of batteries for vehicles
40	rental of vehicle batteries
40	rental of batteries for video cameras
40	rental of batteries for camcorders
40	rental of video camera batteries
40	rental of camcorder batteries
40	rental of boilers
40	rental of bookbinding equipment
40	rental of bookbinding machines
40	rental of chemical processing machines
40	leasing of chemical processing machines

40	rental of chemical processing machines and apparatus
40	rental of chemical processing machines and apparatus and providing information relating thereto
40	rental of chemical processing machines and apparatus and provision of information relating thereto
40	rental of cooling appliances and installations
40	rental of cooling apparatus and installations
40	rental of cutting equipment
40	rental of dehumidifiers
40	rental of electrical power generators
40	rental of generators of electrical power
40	rental of electric power generators
40	rental of electrical transformers
40	leasing of electrical transformers
40	rental of electric fans for cooling
40	leasing of electric fans for cooling
40	rental of electricity generators
40	rental of electrical generators
40	rental of electric soldering apparatus
40	rental of electric welding apparatus
40	rental of electric welding machines
40	rental of electrostatic printing machines
40	rental of embossing machines
40	rental of energy generating equipment
40	leasing of energy generating equipment
40	rental of flexographic printing machines
40	rental of flexographic machines
40	rental of gas-operated soldering apparatus
40	rental of gas-operated welding apparatus
40	rental of generators, air-conditioning apparatus and space heating apparatus
40	rental of glassware manufacturing machines
40	leasing of glassware manufacturing machines
40	rental of glassware manufacturing machines and apparatus
40	recycling of tyres
40	recycling of tires
40	tyre recycling
40	tire recycling
40	recycling of valuable materials
40	recycling of waste
40	recycling of waste and providing information relating thereto

40	recycling of waste and provision of information relating thereto
40	recycling of waste and trash
40	recycling of waste and rubbish
40	recycling of refuse and waste
40	recycling of waste materials
40	recycling of waste oils
40	recycling of water filter cartridges
40	recycling of wood
40	refining of dental scrap
40	dental scrap refining
40	refining of fuel materials
40	refining of metals
40	refining of petroleum products
40	refining services
40	refining
40	refrigerant reclamation services
40	regasification of liquefied natural gas
40	regeneration of air
40	air regeneration
40	regeneration of water
40	remastering of films from one format to another
40	remastering services of cinematographic films to video tapes
40	remastering services of cinema films to video tapes
40	remastering services of motion pictures to video tapes
40	remastering services of movie films to video tapes
40	remastering services of motion picture films to video tapes
40	rental of 3D printers
40	rental of three-dimensional printers
40	rental of three-dimensional [3D] printers
40	rental of accumulators [batteries]
40	rental of air-conditioning apparatus
40	rental of air purification apparatus
40	rental of aluminium-ion batteries
40	rental of assembly machine equipment
40	rental of batteries
40	battery rental
40	rental of batteries for bulldozers
40	rental of batteries for cameras

40	rental of camera batteries
40	rental of batteries for computers
40	rental of batteries for construction equipment
40	rental of batteries for digital cameras
40	rental of digital camera batteries
40	rental of batteries for digital video cameras
40	rental of batteries for digital camcorders
40	rental of digital video camera batteries
40	rental of digital camcorder batteries
40	rental of batteries for electric bicycles
40	rental of electric bicycle batteries
40	rental of batteries for electric cars
40	rental of electric car batteries
40	rental of batteries for electric mobility scooters
40	rental of electric mobility scooter batteries
40	rental of batteries for electric motorcycles
40	rental of electric motorcycle batteries
40	rental of batteries for electric motor scooters
40	rental of electric motor scooter batteries
40	electric office equipment recycling
40	recycling of electric wires
40	recycling of electronic and electric appliances
40	recycling of electronic and electrical appliances
40	recycling of electronic circuits
40	recycling of electronic devices
40	recycling of expanded polystyrene [EPS] foam
40	recycling of expanded polystyrene [EPS] plastics
40	recycling of fluorescent lamps
40	recycling of foam blowing agents
40	recycling of food waste into animal feed
40	recycling of glass
40	recycling of hazardous liquids
40	recycling of high-density polyethylene [HDPE] plastics
40	recycling of industrial oils
40	recycling of ink cartridges
40	recycling of ink cartridges for photocopy machines
40	recycling of ink cartridges for printers
40	recycling of insulating gases from air-conditioning machines

40	recycling of insulating gases from air conditioning machines
40	recycling of insulating gases from air-conditioning plants
40	recycling of insulating gases from air conditioning plants
40	recycling of insulating gases from air-conditioning plant
40	recycling of insulating gases from air conditioning plant
40	recycling of insulating gases from freezers
40	recycling of insulating gases from refrigerators
40	recycling of liquids containing chlorofluorocarbon [CFC]
40	recycling of medical waste
40	recycling of metals
40	recycling of metal
40	recycling of minerals
40	recycling of mineral waste
40	recycling of organic solvents
40	recycling of paper
40	recycling of paper and cardboard
40	recycling of photovoltaic modules
40	recycling of plastic bottles
40	recycling of plastics
40	recycling of plastic
40	recycling of polyethylene terephthalate [PET] bottles
40	recycling of PET bottles
40	recycling of precious metals
40	precious metal recycling
40	recycling of radioactive waste
40	recycling of refrigerant fluids
40	recycling of relays
40	recycling of resistors
40	recycling of scrap
40	recycling of semiconductors
40	recycling of shoes
40	recycling of solvents
40	recycling of steel sheets
40	recycling of switches
40	recycling of textiles
40	recycling of tinplate packings
40	recycling of tinplate packaging
40	recycling of tins

40	recycling of toner cartridges
40	recycling of toners
40	recycling of toner
40	recycling of toxic liquids
40	recycling of transformers
40	recycling of trash
40	recycling of rubbish
40	processing of raw materials for the manufacture of food and beverages
40	processing of rubber
40	processing of rubber and providing information relating thereto
40	processing of rubber and provision of information relating thereto
40	processing of tea leaves
40	processing of tree barks
40	production and processing of fuels and of other sources of energy
40	providing information relating to the rental of space cooling apparatus for industrial purposes
40	provision of information relating to the rental of space cooling apparatus for industrial purposes
40	providing information relating to the rental of tobacco processing machines
40	provision of information relating to the rental of tobacco processing machines
40	providing information relating to the rental of waste compacting machines and apparatus
40	provision of information relating to the rental of waste compacting machines and apparatus
40	providing information relating to the rental of waste crushing machines and apparatus
40	provision of information relating to the rental of waste crushing machines and apparatus
40	providing information relating to the rental of water purifying apparatus
40	provision of information relating to the rental of water purifying apparatus
40	providing information relating to the treatment or processing of cloth, clothing or fur
40	provision of information relating to the treatment or processing of cloth, clothing or fur
40	providing information relating to water treating services
40	provision of information relating to water treating services
40	providing information relating to water treatment
40	provision of information relating to water treatment
40	providing information relating to woodworking
40	provision of information relating to woodworking
40	providing material treatment information via a web site
40	providing material treatment information via a website
40	purification of gases
40	quilting
40	radiation area decontamination services
40	reclamation of material from waste

40	reclamation of solvents

42	research of induced pluripotent stem cells
42	research of new products for others
42	research on livestock breeding
42	research of livestock breeding
42	research relating to architecture
42	research relating to biotechnology
42	research relating to building construction or city planning
42	research on building construction or city planning
42	research relating to buildings
42	research relating to chemistry
42	research relating to computers
42	research services relating to computers
42	research relating to data processing
42	research services relating to data processing
42	research relating to demographics
42	research relating to demography
42	research relating to design
42	research relating to industrial machinery
42	industrial machinery research
42	research relating to insecticides
42	research relating to molecular sciences
42	research relating to plant breeding
42	research relating to telecommunication
42	research relating to the development of computer hardware
42	research relating to the development of computer programs and software
42	research relating to the development of computer programmes and software
42	research relating to the development of computer software

42	research relating to urban planning
42	research relating to city planning
42	research on urban planning
42	research services for the development of new products
42	research to develop new products
42	research services in the field of informatics
42	research services in the field of petroleum products
42	research services in the field of proteins, antibodies, microorganisms and cells
42	research, testing and analysis services
42	retail design services
42	design, development and implementation of computer software
42	design, development and implementation of software
42	design, development and programming of computer software
42	computer software design, development and programming services
42	design, development, installation and maintenance of computer software
42	design, development, maintenance and updating of computer software
42	design, maintenance, development and updating of computer software
42	design, development, maintenance and updating of computer software for data processing
42	design, development, maintenance and updating of data processing software
42	design, development, maintenance and updating of computer software for process control
42	design, development, maintenance and updating of computer software for word processing
42	design, development, maintenance and updating of word processing software
42	design, development, maintenance and updating of computer software for word processing, data processing
42	design feasibility studies
42	designing websites for advertising purposes
42	design of web sites for advertising purposes
42	design of websites for advertising purposes
42	hosting the web sites of others on a computer server for a global computer network
42	hosting virtual environments
42	hosting web portals
42	hosting of web portals
42	hosting websites featuring virtual pets authenticated by non-fungible tokens [NFTs]
42	hosting websites on the Internet
42	hosting web sites on the Internet
42	hosting of web sites on the Internet
42	hosting of websites on the Internet
42	house design services
42	house design

42	design of houses
42	human genetic research
42	hydrographic surveying
42	hydrological research
42	hydrological research services
42	identity validation services [computer security]
42	identity validation [computer security]
42	identity verification services [computer security]
42	identity verification [computer security]
42	illustration design services
42	illustrators' services
42	image processing software design
42	design of image processing software
42	implementation of computer programs on networks
42	implementation of computer programmes on networks
42	industrial analysis
42	industrial analysis services
42	services in the field of industrial analysis
42	industrial analysis and industrial research services
42	industrial analysis and research services
42	industrial analysis and research
42	industrial analyses and research services
42	industrial research and analysis
42	industrial research and analysis services
42	industrial analysis and research services in the field of chemistry
42	industrial analysis and research services relating to automobile tires
42	industrial analysis and research services relating to automobile tyres
42	industrial analysis, industrial research and industrial design services
42	industrial and graphic art design
42	industrial art design
42	industrial design
42	industrial design services
42	industrial design of cars
42	industrial design of mobile telephones
42	industrial design of cell phones
42	industrial design of cellular phones
42	research and development in the field of nuclear fusion energy
42	research and development in the field of petroleum products

42	research and development in the field of wind energy
42	research and development of computer software
42	research and development services relating to computer software
42	computer software research and development
42	computer software research and development services
42	research and development of new products for others
42	research and development for others with regard to new products
42	research and development services with regard to new products for third parties
42	research and development of new products for others in the field of plastic materials
42	research and development of new products for third parties in the field of plastic materials
42	research and development of pharmaceutical preparations for treating malignant tumours
42	research and development of psychedelic compounds
42	research and development of siRNA drugs
42	research and development of small interfering RNA drugs
42	research and development of short interfering RNA drugs
42	research and development of software
42	software research and development
42	software research and development services
42	research and development services relating to software
42	research and development of software for computers
42	research and development of vaccines
42	research and development services relating to vaccines
42	vaccine research and development services
42	research and development relating to psychedelic compounds
42	research and development services for the pharmaceutical industry
42	design and maintenance of web pages for third parties
42	design and maintenance of websites
42	design and maintenance of web sites
42	design and maintenance of websites for others
42	design and maintenance of web sites for third parties
42	design and maintenance of web sites for others
42	design and maintenance of websites for third parties
42	design and planning of electrical systems
42	design and planning services relating to electrical systems
42	design and planning services relating to telecommunications equipment
42	design and planning services relating to telecommunication equipment
42	design and programming of websites
42	design and programming of web sites

42	design and rental of software
42	design and testing for new product development
42	design and testing of new products
42	design and testing of refractory materials
42	design and updating of computer software
42	computer software design and updating
42	updating and design of computer software
42	design and updating of homepages and web pages
42	design and updating of home pages and web pages
42	design and updating of software
42	software design and updating
42	design and writing of computer software
42	computer software design and writing
42	computer software design and writing services
42	design consultancy
42	consultancy in the field of design
42	design, creation and programming of web pages
42	design, creation, hosting and maintenance of Internet sites for third parties
42	design, creation, hosting and maintenance of websites
42	design, creation, hosting and maintenance of web sites
42	design, creation, hosting and maintenance of websites for others
42	design, creation, hosting and maintenance of web sites for others
42	design, deployment and management of wireless computer networks for others
42	design, development and implementation of computer programs
42	providing Internet search engines with specific search options
42	providing medical and scientific research information in the field of pharmaceuticals and clinical trials
42	providing meteorological information
42	provision of meteorological information
42	providing meteorological information for maritime navigation
42	provision of meteorological information for maritime navigation
42	providing meteorological information for maritime transport
42	provision of meteorological information for maritime transport
42	providing meteorological information via a website
42	providing meteorological information via a web site
42	provision of meteorological information via a website
42	provision of meteorological information via a web site
42	providing weather information via a website
42	providing weather information via a web site

42	provision of weather information via a website
42	provision of weather information via a web site
42	providing non-downloadable computer applications on data networks
42	provision of non-downloadable computer applications on data networks
42	providing non-downloadable computer gambling software
42	provision of non-downloadable computer gambling software
42	providing non-downloadable computer game and gambling software
42	provision of non-downloadable computer game and gambling software
42	providing non-downloadable computer game software
42	provision of non-downloadable computer game software
42	providing non-downloadable computer game software for professional gaming operators
42	provision of non-downloadable computer game software for professional gaming operators
42	providing non-downloadable computer programs on data networks
42	providing non-downloadable computer programmes on data networks
42	provision of non-downloadable computer programs on data networks
42	provision of non-downloadable computer programmes on data networks
42	providing non-downloadable computer software development tools in the field of artificial intelligence
42	providing non-downloadable computer software development tools in the field of deep learning
42	providing non-downloadable computer software development tools in the field of high performance computing
42	providing non-downloadable computer software development tools in the field of machine learning
42	providing non-downloadable computer software for implementing a computer programming language
42	providing non-downloadable computer software for implementing a computer programming language in the fi
42	providing non-downloadable computer software for implementing a computer programming language in the fi
42	providing non-downloadable computer software for implementing a computer programming language in the fi
42	rental of telescopes for educational purposes
42	rental of telescopes for leisure activities
42	rental of telescopes for research purposes
42	rental of telescopes for scientific research purposes
42	rental of ultasonic diagnostic apparatus, not for medical purposes
42	rental of ultrasonic diagnostic apparatus, not for medical use
42	rental of user-programmable humanoid robots, not configured
42	rental of web servers
42	rental of web servers and co-location servers for containerized data centers of others
42	rental of word processors
42	rental of word processors [computer hardware]
42	rental of word processors [software]
42	repair of computer programs
42	repair of computer programmes

42	repair of software for computer systems
42	research and consultancy in the design and development of computer hardware
42	research and consultancy in the field of zoology
42	zoological research and consultation
42	research and consultancy services relating to computer software
42	research and consultancy services relating to software
42	research and design services
42	research and development in the field of application programming interfaces for online banking payment
42	research and development in the field of energy
42	research and development in the field of geothermal energy
42	research and development in the field of hydroelectric energy
42	research and development in the field of nuclear energy
42	design and maintenance of Internet homepages
42	design and maintenance of Internet home pages
42	design and maintenance of web pages for others
42	hosting websites
42	hosting computer websites and rental of software
42	computer website hosting services and software rental services
42	website hosting services and software rental services
42	hosting computer websites, software as a service [SaaS], and rental of software
42	hosting computer websites, software as a service, and rental of software
42	hosting customized web pages
42	hosting of customized web pages
42	hosting digital content on the internet
42	hosting of digital content on the internet
42	hosting digital platforms for mobility as a service
42	hosting digital platforms for mobility as a service [MaaS]
42	hosting e-commerce platforms on the Internet
42	hosting of e-commerce platforms on the Internet
42	hosting electronic memory space on the Internet for advertising goods and services
42	hosting Internet sites for others
42	hosting memory space for websites
42	hosting memory space for web sites
42	hosting of memory space for web sites
42	hosting of memory space for websites
42	hosting memory space on the Internet
42	hosting of memory space on the Internet
42	hosting memory space on the Internet for storing digital photographs

42	hosting of memory space on the Internet for storing digital photographs
42	hosting multimedia and interactive applications
42	hosting of multimedia and interactive applications
42	hosting multimedia educational content
42	hosting of multimedia educational content
42	hosting multimedia entertainment and educational content for others
42	hosting multimedia entertainment content
42	hosting of multimedia entertainment content
42	hosting of online calculators
42	hosting of podcasts
42	hosting of software as a service [SaaS]
42	hosting of software as a service
42	hosting of weblogs [blogs]
42	hosting of weblogs
42	hosting of blogs
42	hosting on-line facilities for conducting interactive discussions
42	hosting online facilities for conducting interactive discussions
42	hosting on-line software enabling the creation and hosting of micro websites for businesses
42	hosting online software enabling the creation and hosting of micro websites for businesses
42	hosting on-line web facilities for others
42	hosting online web facilities for others
42	hosting on-line web facilities for others for conducting interactive discussions
42	hosting online web facilities for others for conducting interactive discussions
42	hosting on-line web facilities for others for sharing on-line content
42	hosting online web facilities for others for sharing online content
42	hosting platforms on the Internet
42	hosting of platforms on the Internet
42	hosting software for use in library management
42	hosting of software for use in library management
42	hosting software platforms for virtual reality-based work collaboration
42	hosting the websites of others
42	hosting the web sites of others
42	hosting web sites of others
42	hosting the websites of others on a computer server for a global computer network
42	providing information relating to scientific research in the fields of biochemistry and biotechnology
42	providing information relating to technological research
42	provision of information relating to technological research
42	providing information relating to the location of utility lines [mapping services]

42	rental of scientific instruments
42	scientific instrument rental
42	rental of scientific instruments and apparatus
42	rental of scientific microscopes
42	rental of smartglasses
42	rental of software for collecting, analyzing and organizing data in the field of deep learning
42	rental of software for database management
42	rental of database management software
42	rental of software for data processing
42	rental of data processing software
42	data processing software rental
42	data processing software rental services
42	rental of software for importing and managing data
42	rental of software for Internet access
42	rental of Internet access software
42	rental of software for inventory management
42	rental of software for website development
42	rental of software for web site development
42	rental of technical drawing instruments
42	rental of telescopes
42	design and development of software and hardware for producing, recording and processing digital and analo
42	design and development of software and hardware for producing, recording and processing digital and analo
42	design and development of software and hardware for signal amplification and transmission
42	design and development of software for control, regulation and monitoring of solar energy systems
42	design and development of software for electronic databases
42	design and development of electronic database software
42	design and development of software for electronic television program guides
42	design and development of software for electronic television programme guides
42	design and development of software for importing and managing data
42	design and development of software for instant messaging
42	design and development of software for inventory management
42	design and development of software for website development
42	design and development of software for web site development
42	design and development of software in the field of mobile applications
42	design and development of systems for data input, output, processing, display and storage
42	design and development of systems for regenerative energy generation
42	design and development of regenerative energy generation systems
42	design and development of telecommunications networks

42	design and development of telecommunications systems
42	design and development of testing and analysis methods
42	design and development of video game and computer game software
42	design and development of video and computer game software
42	design and development of video game software
42	design and development of virtual reality software
42	design and development of web pages
42	design and development of wireless computer networks
42	design and development of wireless data transmission apparatus
42	design and development of wireless data transmission apparatus, instruments and equipment
42	design and development of wireless networks
42	design and graphic arts design for the creation of web pages on the Internet
42	design and graphic arts designing for the creation of web pages on the Internet
42	design and graphic arts design for the creation of websites
42	design and graphic arts design for the creation of web sites
42	design and graphic arts designing for the creation of web sites
42	design and hosting of web portals
42	design and implementation of web pages for others
42	designing and implementing web pages for others
42	design and implementation of websites for others
42	design and implementation of web sites for others
42	designing and implementing web sites for others
42	designing and implementing websites for others
42	design and maintenance of computer sites for third parties
42	design and maintenance of computer software for others
42	design and maintenance of computer software for third parties
42	provision of information on computer technology
42	providing information relating to computer technology and programming via a website
42	providing information on computer technology and programming via a website
42	providing information on computer technology and programming via a web site
42	provision of information relating to computer technology and programming via a web site
42	provision of information relating to computer technology and programming via a website
42	provision of information on computer technology and programming via a website
42	providing information relating to computer technology and programming via a web site
42	providing information relating to computer technology via a website
42	providing information on computer technology via a web site
42	providing information on computer technology via a website
42	providing information relating to computer technology via a web site

42	provision of information relating to computer technology via a web site
42	provision of information relating to computer technology via a website
42	provision of information on computer technology via a website
42	provision of information on computer technology via a web site
42	providing information relating to cosmetic research in the field of cosmeticovigilance
42	providing information relating to industrial engineering
42	provision of information relating to industrial engineering
42	providing information relating to industrial research in the field of phytotherapy
42	provision of information relating to industrial research in the field of phytotherapy
42	providing information relating to medical research in the field of pharmacovigilance
42	providing information relating to medical research in the field of veterinary pharmacovigilance
42	providing information relating to scientific research in the field of phytotherapy
42	provision of information relating to scientific research in the field of phytotherapy
42	rental of data center facilities
42	rental of data processing devices and computers
42	rental of data processing programs
42	rental of data processing programmes
42	rental of data processing systems
42	rental of decentralized cloud storage facility for containerized data centers of others
42	rental of design equipment
42	rental of electronic storage space [web space] on the Internet
42	rental of electronic memory space [web space] on the Internet
42	rental of electronic storage space on the Internet
42	rental of electronic memory space on the Internet
42	rental of furniture especially made for laboratories
42	rental of games software
42	rental of Internet security programs
42	rental of Internet security programmes
42	rental of laboratory apparatus
42	rental of laboratory apparatus and instruments
42	rental of laboratory instruments
42	rental of laboratory robots for laboratory research and analysis
42	rental of laboratory robots for laboratory testing
42	rental of measuring apparatus
42	rental of memory space for websites
42	rental of memory space for web sites
42	rental of memory space on servers for hosting electronic bulletin boards
42	rental of memory space on servers for sharing digital contents on the internet

42	rental of memory space on servers for sharing electronic data on the internet
42	rental of memory space on servers for sharing images on the internet
42	rental of memory space on servers for the interaction of social networking service users on the internet
42	rental of meters for the recording of energy consumption
42	rental of microscopes for bacteriological research purposes
42	rental of microscopes for biological research purposes
42	rental of microscopes for medical research purposes
42	rental of microscopes for research purposes
42	rental of microscopes for scientific research purposes
42	rental of operating software for accessing and using a cloud computing network
42	rental of operating software for computer networks and servers
42	rental of scientific apparatus
42	scientific apparatus rental
42	rental of scientific equipment
42	graphic design of trade marks
42	graphic design services
42	graphic design
42	graphic design services for creating graphic elements of corporate logos
42	graphic design services for creating graphic elements of logos
42	graphic design services for creating virtual tours of real estate for sale
42	graphic illustration design services
42	graphic illustration design
42	graphic logo design services
42	graphic logo design
42	graphic design of logos
42	handwriting analysis [graphology]
42	hand writing analysis [graphology]
42	handwriting analysis
42	hand writing analysis
42	hat design
42	hat design services
42	design of hats
42	home inspection and surveying to verify the condition of a property
42	hosting and providing electronic platforms for data sharing and transmission
42	hosting and provision of electronic platforms for data sharing and transmission
42	hosting and rental of memory space for websites
42	hosting and rental of memory space for web sites
42	hosting an online website for creating and hosting micro websites for businesses

42	hosting an on-line web site for creating and hosting micro web sites for businesses
42	hosting a website for the electronic storage of digital photographs and videos
42	hosting a web site for the electronic storage of digital photographs and videos
42	hosting computer application software in the field of knowledge management for creating searchable databas
42	hosting computer databases
42	hosting of databases
42	hosting computerized data, files, applications and information
42	hosting of computerized data, files, applications and information
42	hosting computer sites [websites] for mobility as a service
42	hosting computer sites [web sites] for mobility as a service
42	hosting computer sites [websites] for mobility as a service [MaaS]
42	hosting computer sites [web sites] for mobility as a service [MaaS]
42	hosting computer software applications for others
42	hosting of computer software applications for others
42	hosting computer software platforms for virtual reality-based work collaboration
42	hosting computer websites
42	hosting computer web sites
42	hosting web sites
42	web site hosting services
42	hosting of websites
42	website hosting services
42	hosting of web sites
42	providing information on donation of human corpses for medical research
42	providing information relating to computer programming
42	provision of information relating to computer programming
42	providing information relating to computer programming via a website
42	providing information on computer programming via a web site
42	providing information on computer programming via a website
42	providing information relating to computer programming via a web site
42	provision of information relating to computer programming via a web site
42	provision of information relating to computer programming via a website
42	providing information relating to computer programs
42	provision of information relating to computer programs
42	provision of information relating to computer programmes
42	providing information relating to computer programmes
42	providing information relating to computer software
42	provision of information relating to computer software
42	providing information relating to computer technology

42	provision of information relating to computer technology
42	providing information on computer technology
42	design and development of electronic language translation dictionaries and databases
42	design and development of endoprostheses
42	design and development of energy distribution networks
42	design and development of energy management software
42	design and development of engineering products
42	design and development of firmware systems
42	design and development of homepages and websites
42	design and development of homepages and web sites
42	design and development of home pages and web sites
42	design and development of home security systems
42	design and development of image processing software
42	design and development of industrial products
42	design and development of information and communications technology
42	design and development of Internet security programs
42	design and development of Internet security programmes
42	design and development of medical diagnostic apparatus
42	design and development of medical diagnostic kits for others
42	design and development of medical technology
42	design and development of multimedia products
42	design and development of navigation systems
42	design and development of navigation systems and route planning software
42	design and development of new products
42	design and development of new technology for others
42	design and development of online computer software systems
42	design and development of on-line computer software systems
42	design and development of operating software for accessing and using a cloud computing network
42	design and development of operating software for computer networks and servers
42	design and development of operating system software
42	design and development of photovoltaic systems
42	design and development of programs for data processing
42	design and development of data processing programs
42	design and development of programmes for data processing
42	design and development of data processing programmes
42	design and development of prostheses
42	design and development of quantum computer hardware and software
42	design and development of route planning software

42	design and development of search engines
42	design and development of single sign-on software
42	design and development of software
42	software design and development
42	software design and development services
42	design and development of software and hardware for audio and video operators
42	design and development of software and hardware for compression and decompression of multimedia conte
42	design and development of software and hardware for data and multimedia content conversion from and to d
42	design and development of software and hardware for digital signal processing
42	design and development of software and hardware for processing and distribution of multimedia content
42	grading of precious stones
42	precious stone grading services
42	graphic arts design
42	graphic art design
42	graphic arts designing
42	graphic art design services
42	graphic art services
42	graphic design of advertising brochures
42	graphic design of advertising flyers
42	graphic design of advertising logos
42	graphic design of advertising materials
42	graphic design of advertising matter
42	graphic design of advertising material
42	graphic design of book covers
42	graphic design of commercial logos
42	graphic design of internet advertisements
42	graphic design of promotional materials
42	graphic design of publicity materials
42	computer graphics rendering
42	rental and maintenance of computer programs
42	computer program rental and maintenance
42	rental and maintenance of computer software
42	computer software rental and maintenance
42	rental and maintenance of software
42	software rental and maintenance
42	rental and updating of software for data processing
42	updating and rental of software for data processing
42	rental of access time to a computer

42	rental of a database server to third parties
42	rental of application software
42	rental of calculating machines
42	rental of calculators
42	rental of computer apparatus
42	rental of computer database software
42	rental of computer equipment
42	rental of computer facilities
42	rental of computer firmware
42	rental of computer game programs
42	rental of computer game programmes
42	rental of computer hardware
42	rental of computer hardware and computer peripherals
42	rental of computer hardware and software
42	rental of computer hardware and computer software
42	rental of computer middleware
42	rental of computer peripherals
42	rental of computer peripheral devices
42	rental of peripheral devices for computers
42	rental of computer programs
42	rental of computer programmes
42	computer program rental
42	computer programme rental
42	computer program rental services
42	computer programme rental services
42	rental of computers and computer equipment
42	rental of computers and computer software
42	computer and computer software rental
42	rental of computers and software
42	rental of computers for data processing
42	rental of computer software
42	computer software rental
42	computer software rental services
42	rental of software for computers
42	rental of software
42	software rental
42	software rental services
42	rental of computer software and data processing machines

42	rental of computer software and programs
42	rental of computer software and programmes
42	rental of computer software for collecting, analyzing and organizing data in the field of deep learning
42	rental of computer software for developing computer games
42	rental of computer game development software
42	rental of computer software for developing online educational materials
42	rental of computer software for developing video games
42	rental of video game development software
42	rental of computer software for financial management
42	rental of computer software relating to travel
42	rental of data carriers
42	rental of data centre facilities
